

What to do...

1. What's your favourite day of the week?
2. With your helper, write a list of all the days of the week. Monday, Tuesday ...
3. Can you see which part of the word is the same each time?
4. Can you think of any other words ending in 'day'? Write them down too.
5. Now write your favourite day of the week again.
6. Draw a picture and write a sentence beside it, saying what makes it your favourite!

Days of the week

This activity will help your child spell the days of the week. It is also useful for introducing your child to the idea of spelling patterns. Spotting patterns in words will help your child with spelling in general.
