

Dinosaur actions

You will need: Dinosaur action cards

- What to do:**
- Look at the dinosaur action cards. What are the dinosaurs doing?
 - Talk about the action and listen to the sound it begins with. Which sound does each of the actions begin with?
 - Place the action cards face down in a pile.
 - Take turns to secretly turn over the top card. Look at the action and place the card back at the bottom of the pile face down.
 - Mime the action for the other player to guess. Now let the adult have a go!
 - Try choosing two cards together and miming both actions. Can you guess what my dinosaur is doing?

This activity helps your child to hear and say the initial sounds in words and to know which letters represent some of the sounds. Encourage your child to listen to the beginning sounds as you say the dinosaur actions. It also encourages your child to express themselves through mime and movement.

Foundation Curriculum areas covered:

Personal, Social and Emotional Development; and Communication, Language and Literacy.
