

What to do...

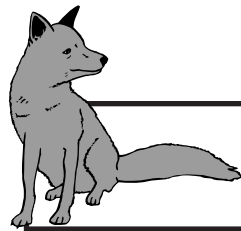

Fairy tale characters

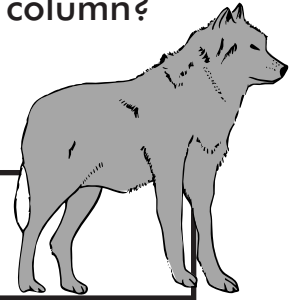

This activity is useful for helping your child see the links between different types of stories and books. Discuss and compare these characters whenever you come across them in stories.

1. Lots of fairy tales have a Big Bad Wolf or a Clever Fox in them.
2. How many can you and your helper think of?
3. With your helper, fill out the table below with the names of stories which have these characters in them.
4. Can you think of at least two stories for each column?

Clever Fox

Big Bad Wolf

I've got one; 'The three little meerkats'. Oh wait that's not right ... what were they?
