

## Summer holiday

This activity helps children to use their imagination and to write in clear descriptive sentences. Discuss with your child what holiday they would really enjoy – encourage them to be imaginative! Perhaps swimming with dolphins? Riding elephants?

# What to do...

1. What is your favourite sort of summer holiday?
2. Imagine you could go on any holiday you like!

*What will you be doing?*

*What sort of holiday would you choose?*

3. Write four sentences about your favourite imagined holiday.

*Answer these questions:*

- *Where?*
- *Doing what?*
- *Dressed how?*
- *Why is it the best?*

4. Now draw a picture of you and your family enjoying this holiday.

My favourite holiday is to visit my cousin in the desert and play burrows. We dress up as mummy and daddy meerkats. I like it best because I like playing with my cousin.
