

Afternoon

*If the sheets are labelled 1-3 stars, the children will know which sheet they tend to access.

Task 1 – art

Linking with your writing, I would like you to draw one of the animals you wrote about so for example a hedgehog. I want you to think about the shape and add in any detail.

Task 2 – science

Living, dead or never alive

Work through the Powerpoint and then complete the activity sheet.

Task 3 – science

Local habitats

Work through the PowerPoint and then complete the activity sheet. I have also included some fact sheets for you to look at. They may help you complete your activity.

Task 4 – science

Microhabitats

Work through the PowerPoint and then complete the activity sheet.

Task 5 – science

World habitats

Work through the PowerPoint and then complete the activity sheet. I have also included some fact sheets for you to have a look at and they may help with your activity.

Task 6 – Geography

Where is China? Complete the activity sheet provided using the PowerPoint to help you.

Task 7 – Geography

Exploring China – work through the PowerPoint. Complete the China fact sheet.

Task 8 – Geography

Ted Tours - use the PowerPoint and then complete the design activity sheet.

Task 9 – Geography

My school your school – work through the PowerPoint and then complete the activity sheet.

Task 10 – Geography

Dragons to Din Sum – work through the PowerPoint and then complete the culture pizza sheet.
