OUR MISSION STATEMENT

'Let Your Light Shine'

(Matthew 5.v16)

At St. Stephen's Church of England Primary School we are proud to be a Church School with a distinct Christian character and ethos. We promote a love of learning within a safe and secure environment, in which every child matters as a precious gift from God. We believe every child is unique, different and special.

Christian values and spirituality are at the heart of all aspects of school life. Our school's Christian ethos reflects mutual care and concern- where faith, love, hope and truth flourish. Our school is a place where children are able to establish and deepen their understanding of God through prayer and reflection in daily acts of Collective Worship and Religious Education.

We provide a creative and challenging curriculum in order to inspire and motivate our pupils. We want all our children to feel secure and happy, enabling them to reach their fullest potential. We believe that happy children learn well and we thrive on celebrating the achievements of all our pupils across all areas of learning.

We aim to create an environment where children develop the confidence to think for themselves; where pupil voice is at the heart of all decision making and where all children feel valued and respected.

Our school ethos is built on mutual tolerance and respect for all human beings, regardless of beliefs culture or race. Charity and caring for those in need is fundamental to our work in school. We are all children of God so we aim to treat others as we would like to be treated ourselves.

We work in partnership with governors, families; the wider community and our local Parish Church to ensure everyone has a voice in achieving the best possible education for our children.

Ultimately we are committed to excellence for all and through a process of continual reflection and evaluation we ensure that standards are continually raised and improved.

'Let Your Light Shine'

(Matthew 5.v16)

Our school motto encompasses all that we are about as a school.

'Let your light shine'

The motto incorporates three fundamental elements:

The light of the Gospel message of Jesus

The light of individual talents

The light of learning

This policy provides clear guidance on the use of mobile phones in school by staff and pupils.

1. Introduction

1.1 This policy provides guidance on the appropriate use of personal mobile phones by members of staff and pupils.

1.2 St. Stephen's CE Primary School has a clear policy on allowing pupils to bring mobile phones into school, and this policy makes explicit reference to camera mobile phones.

2. Camera Mobile Phones

2.1 Camera mobile phones are becoming increasingly popular. A built in digital camera enables users to take high quality pictures. These can then be sent instantly to other mobile phones or e-mail addresses. They can also be posted on the internet or in chat rooms.

2.2 There is the potential for camera mobile phones to be misused in schools. They can become an instrument of bullying or harassment directed against pupils and teachers.

3. Staff Policy

3.1 Staff use of mobile phones during their working school day should be:

- Outside of their contracted hours
- Discreet and appropriate eg. Not in the presence of pupils

3.2 Mobile phones should be left in a safe place during lesson times. School will not take responsibility for items that are lost or stolen.

3.3 Staff should never contact pupils or parents from their personal mobile phone, or give their mobile phone number to pupils or parents. If a member of staff needs to make telephone contact with a pupil, a school telephone should be used.

3.4 Staff should never send to, or accept from, colleagues or pupils, texts or images that could be viewed as inappropriate.

3.5 With regard to camera mobile phones, a member of staff should never use their phone to photograph a pupil(s), or allow themselves to be photographed by a pupil(s).

3.6 This guidance should be seen as a safeguard for members of staff, the school and the Local Authority.

3.7 Staff should understand that failure to comply with the policy is likely to result in the enforcement of our Whistleblowing policy and associated procedures.

4. Pupil Policy

4.1 While we fully acknowledge a parent's right to allow their child to bring a mobile phone to school if they walk to and from school without adult supervision, St. Stephen's CE Primary School discourages pupils from bringing mobile phones to school due to the potential issues outlined above.

4.2 When a child needs to bring a phone into school, the mobile phone must be left in the school office at the start of the day and collected at the end of the day. Phones should be clearly marked so that each pupil knows their own phone. Parents are advised that St. Stephen's CE Primary School accepts no liability for the loss or damage to mobile phones which are brought into the school or school grounds.

4.3 Where a pupil is found by a member of staff to be using a mobile phone, the phone will be confiscated from the pupil, handed to a member of the school office team who will record the name of the pupil and attach to the phone. The mobile phone will be stored by the School Office. The pupil may collect the phone at the end of the school day. A letter will be sent home to the parents. If this practice continues more than three times, then the school will confiscate the phone until an appropriate adult collects the phone from a senior teacher.

4.4 If a pupil is found taking photographs or video footage with a mobile phone of either other pupils or teachers, this will be regarded as a serious offence and disciplinary action will be taken according to the school's Behaviour Policy.

4.5 If images of other pupils or teachers have been taken, the phone will not be returned to the pupil until the images have been removed by the pupil in the presence of a senior teacher.

4.6 Should a pupil be found to be using their phone inappropriately, the school reserves the right to withdraw this privilege and they will no longer be able to bring a phone into school.

4.7 Please talk to your child about the appropriate use of text messages as they can often be used to bully pupils.

4.8 Should parents need to contact pupils, or vice versa, this should be done following the usual school procedures: via the school office. (tel no. 01388 746426)

This policy supports the school's Health and Safety, Anti-bullying, Child Protection, EYFS, Safeguarding and Internet Acceptable Use policies. It has been endorsed by the Board of Governors and will be monitored, reviewed and amended as required.
